

Eversource donates to local garden club

Eversource Energy recently awarded the Mountain Garden Club \$600 for the creation of pollinator gardens in MWV schools. Through its Charitable Contributions program, the company awards non-profit organizations grants for projects that benefit the community. The Mountain Garden Club maintains 14 public gardens throughout the valley. From left: Ardis M. Yahana; executive director of Children Unlimited; John Greene, community relations specialist for the Northern Region of Eversource Energy; Ralph Lutjen, chair of Youth Projects for the Mountain Garden Club; and Deborah Holmes, president of the Mountain Garden Club.
